We love our food on Dartmoor - and so we should.

We pride ourselves on supplying some of the finest produce in the world. Our rolling wild landscape reflects freshness, quality and variety. Fresh and local are two words you'll often hear to describe the food available here today. There's meat, fresh from the moors around Princetown, fish, fresh from the trout farm at Tavistock, and fruit and vegetables picked early morning in the verdant fields around the villages.

Pubs

Village pubs, with a warm welcome and roaring log fire to sit in front of after an afternoon spent exploring the magic of Dartmoor, are some of the most popular stop off points on and around the moor!

Whether you're a local, or a visitor from afar, you will relish the atmosphere, the glorious, locally sourced and home cooked food, and the many drinks that are produced locally!

Many of the Dartmoor pubs love to entertain their customers during the summer months, with Morris Dancers, barbecues, fairs and shows.

Most pubs have in depth knowledge on where to walk, ride or cycle, as they hear all about it from their customers, so can be very useful sources of information if you are planning an afternoon outing to burn off a hearty lunchtime feast!

Spoil yourself a little, when you're planning a walk with the dog or the family, make time to visit a Dartmoor pub!

However you arrive, there's always a warm welcome at The Royal Oak at Meavy

There is a deep rich choice of restaurants on Dartmoor and we hope you might get to enjoy at least some of them during your stay here!

We have restaurants that serve organic food, those that pick their produce from their farm earlier in the day, and those that offer locally produced meat, fish and vegetables at their finest. Delicious vegetarian options, superb wines, decadent cream teas and breakfast that set you up for the day, it's all here on Dartmoor.

Wherever you go on Dartmoor, there will be a restaurant, pub, hotel or tea room where you will be assured of a warm and friendly welcome, the highest quality food, wine and service. What could be better at the end of a day exploring the extraordinary beauty of wild Dartmoor, or a day spent messing about on the river with the kids, than a gorgeous meal, served in beautiful surrounds, that you did not have to cook yourself!

Cafes & Tearooms

Home Farm Cafe

There is nothing better than enjoying a cream tea while basking in the sunshine after a long walk on Dartmoor; all hail our great Dartmoor tearooms. A thirst quenching drink after a cycle ride or an Earl Grey while reading the paper; friends getting together for a breakfast of local food after a night in a bunkhouse or self catering cottage; couples enjoying coffee and home made cake, families refuelling with good natural fayre.

We have organic cafes, those only serving local produce, vegetarian, the best cakes in the world, tearooms right in the heart of the moor, some waiting at the end of a walk in a picture postcard village, others dotted about market towns on the edge of the moor. One thing is certain; if you want cake and you want to be eating it too, head to Dartmoor.
